

Thank you Brock!

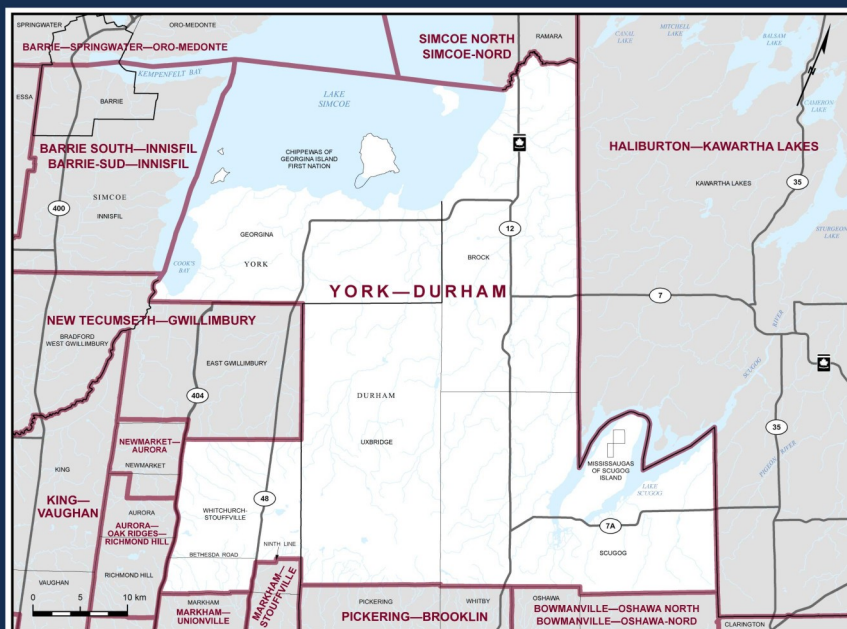

Dear friends;

It is with a heavy heart that I send this message to the good people of Brock Township who I have come to know and appreciate so well over the years. As many of you already know, Elections Canada has made changes to our riding boundaries that will take effect after the next election.

The process of community realignment occurs roughly every ten years in Canada following each census. In fact, it was in 1999 when Brock Township was originally included with Victoria County (now Kawartha Lakes) and Haliburton County to create riding of Haliburton-Victoria-Brock.

Although as of this writing I am not sure when the next election will be but whenever it takes place, Brock Township will be joining the newly formed riding of York-Durham, which includes wonderful communities like Uxbridge, Scugog, and Georgina along with Indigenous communities such as the Chippewas of Georgina Island First Nation and the Mississaugas of Scugog Island. In contrast, Haliburton-Kawartha Lakes will welcome back the two Peterborough County Townships of North Kawartha and Trent Lakes which were removed for the 2015 election.

As I reflect on my time serving this remarkable part of Durham Region, I'm reminded of the countless stories of resilience, courage, and kindness that I've had the privilege of witnessing. From the farmers who work tirelessly to put food on our tables, to the small business owners who pour their hearts into creating thriving local economies, to the volunteers who selflessly give their time to support those in need – every encounter has left an indelible mark.

From veteran dinners at any of Brock's three branches of the Royal Canadian Legion to festive Santa Claus parades and helpful passport clinics and seniors' seminars, I've forged friendships that go beyond politics. The bonds we've built will certainly endure through this transition.

While we move forward into this new chapter, I want to assure you that my commitment to this community remains unwavering. I will continue to advocate for your interests, to listen to your concerns, and to fight for the values that make our area so special. Though the boundaries change, the bonds we've formed will remain strong, and I look forward to continuing our journey together. Until such time as a federal election is called, I will remain your

Member of Parliament, and I look forward to seeing as many treasured friends as possible at the community events I will continue to attend.

Once again, I will always cherish the trust you've placed in me, and I wish you all the very best as we navigate this new landscape together.

Thank you for everything, Brock Township!
