

JAMIE SCHMALE

MEMBER OF PARLIAMENT
Haliburton-Kawartha Lakes

Dear Neighbour,

I am incredibly honoured and humbled to have been elected for a 4th term as your Member of Parliament in the newly created riding of Haliburton-Kawartha Lakes.

I'd like to thank and congratulate Nell Thomas (LPC), Aylea Teel (NDP), and Michael Penman (PPC) for putting their names on the ballot and taking part in our democratic process.

To the teams and volunteers from all parties, thank you for your tireless dedication. Rain or shine, you put hard work into this election and our country is better because of it.

Regardless of which candidate you voted for, I want to assure you that your voice matters to me. I am committed to listening to your concerns and I will work diligently to address them both in the House of Commons and here in our community.

Throughout the past campaign, I was inspired by the conversations I had on doorsteps, in community halls, and at local events. Your concerns, hopes, and values guided my efforts every step of the way, and they will continue to positively impact my work in Ottawa.

I look forward to continuing my work serving you with integrity, transparency, and a deep sense of responsibility.

My office is back in action, and we are ready to help you.

In your service,

Jamie Schmale
Member of Parliament
Haliburton-Kawartha Lakes

Communities in Haliburton-Kawartha Lakes

As some may already know, before the 2025 Federal Election we saw our constituency boundaries change through a community realignment that occurs roughly every 10 years to reflect the change in population, local interests, among other factors. What was then Haliburton-Kawartha Lakes-Brock (which included Brock Township within the Durham Region), is now the riding of Haliburton-Kawartha Lakes (which now includes the Municipality of Trent Lakes and North Kawartha Township).

Brock Township is now situated in the new constituency of **York-Durham**, located West of the map shown to the right, while our new boundaries have obtained Trent Lakes and North Kawartha from the former riding of Peterborough-Kawartha, which is now the **Peterborough** riding, located Southeast of **Haliburton-Kawartha Lakes**.

In full, the communities that make up our constituency are as follows:

- (a) the City of Kawartha Lakes;
- (b) the municipalities of Dysart et al and Highlands East;
- (c) the Municipality of Trent Lakes, excepting the islands of the Curve Lake Indian Reserve No. 35A; and
- (d) the townships of Algonquin Highlands, Cavan Monaghan, North Kawartha and Minden Hills.
